1st and 2nd Declension Noun Cases

Complete the following table. For questions 1-4, you must translate into English. For questions 5-10, you must translate into Latin. For all questions, you must indicate, by ticking the boxes, which case and number (singular or plural) the noun is. One example has been done for you.

	Latin word	singular					plural					English translation
		Nom.	Acc.	Gen.	Dat.	Abl.	Nom.	Acc.	Gen.	Dat.	Abl.	
example	<i>puellam</i>		✓									<i>girl (object)</i>
1.	puellarum											
2.	puellas											
3.	puella (long a)											
4.	puella (short a)											
5.												of the girl
6.												with the girl
7.												with the girls
8.												for the girls
9.												girls (subject)
10.												to the girl

Mark: /20

Extension: how many first declension nouns that decline this way can you remember? Write down the nominative singular for each.
